

PROACTIVITY IN PUBLICATIONS

PLANNING & EXECUTION

- Global team, allowing up to 14 hours of daily coverage
- Teleconferences to share data, align on submissions
- Develop and share rapid track timeline

RAPID DEVELOPMENT

- Staggered review stages
- Incorporated comments/flagged queries as received
- Completed tasks in parallel
- Placeholders while awaiting data
- Daily UK-to-US handovers
- Constant, open communication and status updates

TIMELINES FOR DEVELOPMENT

NEJM

- Pub brief to submission: 12 weeks
- NEJM response (41 comments): 4 days
- Submission to publication: 3 weeks

ASCO

- Oral presentation: 6 weeks
- Press briefing slides: 1 week
